

ZOOTECHNICIAN FOR PIG PRODUCTION IN CZECH REPUBLIC

Do you like to work with animals and be part of a modern pig production?
Then we have a position for you.

FirstFarms acquires and operates businesses in the area of agriculture and food products in the EU countries Slovakia, Czech Republic, Hungary and Romania. We are 300+ employees. Head office is in Denmark.

FirstFarms develops the individual farms to more modern businesses that deliver the highest quality, primarily to the local food processing companies. FirstFarms supports the development towards more sustainable agriculture, and we work every day on creating a more sustainable company.

For our two pig production farms in Vlasatice and Hevlin, Czech Republic, we are looking for a zootechnician.

Work place

FirstFarms Granero s.r.o., with the following locations:
Vlasatice 419, 691 30 Vlasatice and Hevlin 449, 671 69 Hevlin.

Tasks you will be responsible for

- Taking care of 2 x 10,000 finisher pigs.
- Supervising feed and health status of the pigs.
- You will also be a daily leader for ten employees.
- The position will also entail taking part in daily work in the stables alongside your co-workers, as well as conducting some required administration tasks.

Your profile

- University degree.
- Education related to animal production.
- Work independently and are self-motivated.
- Proactive, curious about new technologies and solutions, and not afraid to take initiative.
- Both Czech and English language.
- Driving license - type b.

VISION

Our ambition is to become one of Europe's best agricultures in terms of earnings, efficiency and sustainable production within a few years.

PURPOSE

Contribute to a healthier world with food products, which are produced with respect for people, animals, soil and climate.

MISSION

With our sustainable production, we are supplying high quality products to the local food processing companies.

We are creating value with our dedicated employees, knowledge and utilisation of synergies across our business areas.

Conditions for employment

- Full-time work - Monday to Friday
- Occasionally weekends if needed
- Employment contract for an indefinite period, with a three month trial period.
- Salary is negotiable.

Other benefits

Working devices (mobile phone, laptop), company car, lunch

Please apply at your earliest convenience

Application deadline is 20 October 2022, with recruitment date 1 November 2022.
